NOTICE to MARINERS.

Copenhagen, August 30, 1798.

IN order to render those Mariners who frequent the Port of Bergen more confident of their Situation when on that Coast, particularly when

ſailing to and from the ſaid Port by Skuddenees, a new Lantern-Light has been erected on the Point of that Naze, which will begin to burn on the 1ſt of January, 1799, and continue on the ſame Regulations as the Reſt of the Lights, viz. during the Summer, from Eaſter till Michaelmas, when it will be lit One Hour after the Setting of the Sun; and during the Winter, from Michaelmas till Eaſter, it then being lit Half an Hour after the Setting of the Sun, and continuing to burn till Day-light. It is further made known, that this Lantern will be hoiſted on a Maſt or Pole, cloſe to which a Shed is built and painted White; therefore the ſame muſt be ſeen very plainly in thoſe Directions in which it preſents itſelf to View. The Lantern will be about Three Hundred Feet above the Surface of the Water. It is already known that there has long been a Coal-Light on the Iſles of Hvidding, and a Lantern-Light cloſe to Hoyvarden, the latter ſerving when one has entered Carmſound, to aſſiſt in chuſing a good Berth to anchor in. Whenever one may wiſh to bear away for the Bay and enter Carmſound, one ought, with due Attention, be able to diſtinguiſh the Light of Skuddenees and Hvidding Iſles. This laſt, which is ſuſpended between Two Poles, gives a Blaze-Light, but that on the Skuddenees, as has been obſerved, is a Lantern, and gives a clear and ſteady Light; and beſides, this Light cannot be ſeen when one comes from the Weſtward, unleſs one is ſo much to the Southward that the Cliff of Giætongen does not interrupt the View of it, or that you have it due N. E. by E.: And in this Point of the Compaſs, the Navigation is clear from Hvidding Iſles; one may therefore, if one got Sight firſt of one Light, and were in Doubt a ſhort Time which of them it was, ſteer a little Eaſt, for were it Skuddenees Light that appeared, one would ſhortly after ſee the Blaze of Hvidding Iſles, unleſs it were a Fog, hazy Weather, or Snow Storm. If, however, by ſteering more to the Eaſtward, another Light does ſoon appear, it muſt naturally be that on Hvidding Iſles, and one may then by Soundings ſet one's Courſe accordingly and take a View of the other, ſince, if from the Situation of Skuddenees Light being hidden from the high Land, a Light appears more to the Eaſtward, than due N. E. by E. be aſſured it muſt be Hvidding Iſles. Knowing this, one may with Safety keep under Skuddenees, as one may now by the new Light know to a Certainty where the Bite is, and accordingly run in under the Land, and ſo into Carmſound. When one comes near the Smorſtakken, one may expect to ſee all the Three Lights; and again, if the Light of Skuddenees is hidden by the high Land, then the Two others, particularly that cloſe to Hoyvarden, will prove ſufficient to direct one to a good Anchorage in this Harbour. But if one is unacquainted, and will not venture to run into Carmſound without Pilot, or other Obſtacles preſenting themſelves, then the Lights on the Iſle of Hvidding and Skuddenees will prove a remarkable Aſſiſtance to thoſe who find themſelves obliged to cruize here during the Night; but in that Caſe it is abſolutely neceſſary to be particularly attentive that the Current (which is frequently very ſtrong here) does not drive the Veſſel on either Side.

St. James's, December, 5, 1798.

THE following Addreſs having been tranſmitted to the Duke of Portland, His Majeſty's Principal Secretary of State for the Home Department, has been by his Grace preſented to the King; which Addreſs His Majeſty was pleaſed to receive very graciouſly.

To the KING's Moſt Excellent Majeſty.

May it pleaſe your Majeſty,

WE, your Majeſty's moſt dutiful and loyal Subjects, the Provoſt, Fellows, and Scholars, of the College of the Holy and Undivided Trinity of Queen Elizabeth, near Dublin, beg Leave to addreſs our humble and ſincere Congratulations to your Majeſty on the numerous and important Succeſſes obtained, under Divine Providence, by the Skill and Bravery of your Fleets, over thoſe of the different Nations with whom you are at War. We have beheld with equal Pleaſure and Aſtoniſhment a Series of brilliant Victories unexampled in the Annals of Naval Hiſtory, by which the Luſtre of the Britiſh Name has been diffuſed, and the Glories of its Flag diſplayed in the remoteſt Regions of the Globe. We anticipate with Satisfaction the Advantages that muſt reſult from them to the Empire at large; and the Proſpect they afford of ſo favorable a Turn in the general State of Europe as may lead to a Pacification conſiſtent with the Honor of your Majeſty's Crown, and the permanent Intereſts and Security of your Dominions: But, as loyal Subjects of your Majeſty's Kingdom of Ireland, we feel a particular Intereſt in congratulating your Majeſty on the fortunate and complete Diſcomfiture of the different Armaments deſtined againſt this Country, for the Purpoſe of co-operating with the atrocious Attempts of Domeſtic Treaſon and Rebellion. We have the deepeſt Senſe of the ſignal Interpoſitions of Divine Providence in our Deliverance from the Dangers with which we have been threatened; and acknowledge with Gratitude the effectual Succour and Protection we have experienced from your Majeſty's paternal Attention to our Safety, and from the ſpirited Exertions of your Majeſty's Forces by Sea and Land. We entreat your Majeſty to be perſuaded of the Zeal and Loyalty which the Members of this Society have diſplayed in the Progreſs of the late unnatural Rebellion, and of our unfeigned Attachment to your Majeſty's Perſon and Government, and to the Principles of our free and excellent Conſtitution. We are happy in expreſſing our Confidence that your Majeſty may rely on a Continuance of theſe Sentiments which we humbly aſſure your Majeſty it ſhall be our conſtant Endeavour to cultivate and improve; and by an uniform Attention to the Advancement of true Religion and uſeful Learning, to contribute, as far as we are able, to the Maintenance of public Order, and to the Welfare and Happineſs of our Country. We preſume to expreſs our Hope, that by a faithful Diſcharge of theſe important Duties, we ſhall approve ourſelves, not unworthy of the Bleſſings we enjoy, and the gracious Marks of Favor we continue to receive, under your Majeſty's mild and auſpicious Government.

[*Tranſmitted by the Lord Lieutenant of Ireland.*]
